

## **Our Guiding Principles**

By understanding that they are unique and special, each Lakeview student will be encouraged and challenged by the entire school community to put forth the effort essential for the opportunities of life's choices.

Our guiding principles are as follows:

1. Have Fun!
2. All members of our school community must exhibit the positive qualities of respect and kindnesses.
3. Rigorous curriculum and instruction guided by student work.
4. A collaborative community of quality teachers, leaders and staff who pursue professional growth opportunities.
5. A climate and respect for diversity.
6. A school climate where all feel respected and safe.
7. The expectation for families to get their children to school every day and see that their homework is completed.
