## Student Registration for the 2009-10 School Year

The time is upon us to register our students for the upcoming 2009-10 school year. If you know of any new families to our Lakeview district, please ask them to contact Mrs. Stillions at the school to register. Also, if you have an incoming kindergarten student or know of any they need to be registered as soon as possible.

Our student count in the spring impacts our staffing needs and class sizes for the fall.

## Attention All 6th Grade Students And Parents

The Community Foundation of Bloomington and Monroe County in collaboration with Monroe County Community School Corporation and Richland Bean Blossom School Corporation are now offering student-driven after-school programming at each of the four area middle schools. The programs run from 2:30–5:30 p.m. two days a week at each school. The programs are open to all middle-schoolers in the Monroe county area. The program is fee-based, but scholarships are available. This is a great opportunity for incoming seventh graders to make new friends, learn a new skill, or to just have fun! Registration forms will be available starting in June. If you have any questions, please contact the School Age Care office at 330-7702 or stop by our office at 501 E. North Drive. We look forward to seeing you next year!

### Cafeteria News

There will be no charges in the cafeteria during the month of May. This will enable our cafeteria to get as close to \$0 balances for the end of the year. Any money left in student accounts will still be there for the start of next year.

### Literacy Lab Grant

We are proud to announce that our literacy lab was awarded a grant by the MCCA Foundation in the amount of \$1,480.00! We have already received 36 sets of books with six copies in each set for our first and second grade students! The literacy lab is already using them and loving them!
