& 11/6

Thanksgiving break—  
11/26 & 11/27

Wow, It is hard to believe that fall break is behind us and Thanksgiving is right around the corner!

We will be learning about graphs in math this month. We will also continue to work on multiplication as well. Please continue to work on basic multiplication facts with your child. These are very important.

We will continue our study on nouns in grammar. We will also be introducing verbs. We will also be writing more this month.

### This and That

- ⇒ **Make sure that you are signing your child's assignment book every night.**
- ⇒ Homework is to be completed the night it is brought home unless other-

Please emphasize how important neat handwriting is to your child. This is an area where everyone can make some improvement.

We will continue reading stories from our reading book. There are quite a few good stories coming up. We are reading for fluency as well as comprehension.

We are talking about different people who have populated the United States and how our lives today would be different if these different groups

had not made it to America. We will also be learning about the northeast United States.

If you have any questions, please feel free to send me an email, call me here at school (398-9725 ext. 5530) or send a note to school with your child.

- wise stated.
- ⇒ **We had 92% attendance at parent/teacher conferences. Thanks to everyone who came**

- in. It was great to see all of you.**
- ⇒ Our school has new phones. My new telephone extension is 5530.
