Parents-Please make sure the school office has been notified of any address or phone number changes for your student/s. It is very important that addresses are up to date before the end of the year. Registration paperwork will be mailed in July to the address that is on file on June 2. Thank you!

Physical activity builds a great foundation for a healthy life. It's a win/win event for you and your child. It can: increase self-esteem and capacity for learning, help kids handle stress, build and maintain healthy bones, muscles, and joints, and help control weight. Physical activity is not just an action, it's a lifestyle.

~Walk and talk—instead of sitting at the table to do homework, take a walk with your child while practicing spelling words, multiplication tables or geography facts. MyPyramid recommends moving more. Aim for at least 60 minutes every day or most days. *The Registered Dietitians at Major Hospital – Cheyenne, Lisa, and Bryan*

Wed. May 26 is the final Papa Murphy's night for our PTO. Thanks to everyone for supporting our PTO through this fundraising effort. A Special "Thank You" to Papa Murphy's Pizza for helping out the PTO with "Hendricks School Nights"!

I have been giving your children homework for the summer...Mrs. K's Summer Homework! Be Safe! Read! Have Fun!

Ask them about this homework!

I also want to thank everyone at Hendricks Elementary for a wonderful first year as your school social worker! I have thoroughly enjoyed working with the students, parents, & staff. I am looking forward to the upcoming fall.

Have a soothing summer! Mrs. K
